BUILDING A GROWTH-FRIENDLY TAX ENVIRONMENT

## Lifelong learning in general

- Lifelong learning generally means the self-initiated education that is focused on personal development.
- The need for lifelong learning is apparent (ongoing changes in society, economy, technology, international environment and the views how we look at the things).
- Realization of our limited time and ability and the focus of learning

BUILDING A GROWTH-FRIENDLY TAX ENVIRONMENT

## Lifelong learning of tax officials

- Capacity building should be part of the long-term strategy of every tax administration.
- Taxation is highly specialized work and involves many kinds of knowledge.
- Combination of learning within the structured education system and self-initiated learning.
