BUILDING A GROWTH-FRIENDLY TAX ENVIRONMENT

How to build a Train-the-Trainer Program

01

Define your goals

02

Design Measurement and Assessment Process

03

Design your Train-the-Trainer course

- First define the focus content that the trainers will disseminate in the organization.
- Second, allocate time for teaching about group facilitation and training delivery.

04

Create training materials

- Materials for the Train-the-Trainer course.
- Materials that the potential trainers will use to teach others.

Global Relations Program

Global Forum

- Mandated by the Advisory Group for Global Dialogue on Tax Matters
- Reserved for in-person events

- **2021 pilot** leading to new Train the Trainer programmes for African, Asian and Latin American countries.
- This work empowers jurisdictions in the fight against tax evasion and other illicit financial flows to ultimately enhance their domestic resource mobilisation.
