BUILDING A GROWTH-FRIENDLY TAX ENVIRONMENT

djp

Fostering Trust & Meaningful Participation

Strengthening Public Integrity
Collaborating with NGOs for Transparency FGDs and national Anti-Corruption Campaigns.

Co-creating Regulation

Involvement of Business Associations & Consultants in meaningful participation for fair and practical policies.

Empowering Professionals

Partnership with P2PK for joint supervision, ensuring the highest ethical standards for tax consultants.

BUILDING A GROWTH-FRIENDLY TAX ENVIRONMENT

Advancing the Tax Center Landscape (2025-2029)

Transitioning 530+ Tax Centers from service hubs to strategic compliance Partners

Current Role

- Basic Services
- Standard Education

Future Role (To-Be)

- Policy Research
- Tax Advocacy

Success Indicator TADAT
Score Target : 3-8

Ensuring tax authorities provide clear, up-to-date, and easily accessible information.

KEP-252/PJ/2025

Strategic Planning of Revitalization of Tax Intermediaries

BUILDING A GROWTH-FRIENDLY TAX ENVIRONMENT

djp

Part 03

Unified Frontline for National Compliance

Unified Frontline for National Compliance

Intermediaries as Partners

Tax consultants, NGOs, and business associations transform from passive subjects into co-creators of tax policy.

Systemic Data Power

Institutional collaboration (ILAP & Bank) ensures non-compliance is visible and accurately enforceable.

Main Goal

Shift the narrative from fear of rigid enforcement to a culture of trust and collaborative compliance.

BUILDING A GROWTH-FRIENDLY TAX ENVIRONMENT
