PART 2

***Empower New Foreign Trade Models
with Digital Intelligence***

Build the Integrated Ecosystem for One-stop Service

Launched “Zhejiang Province digital overseas service platform”

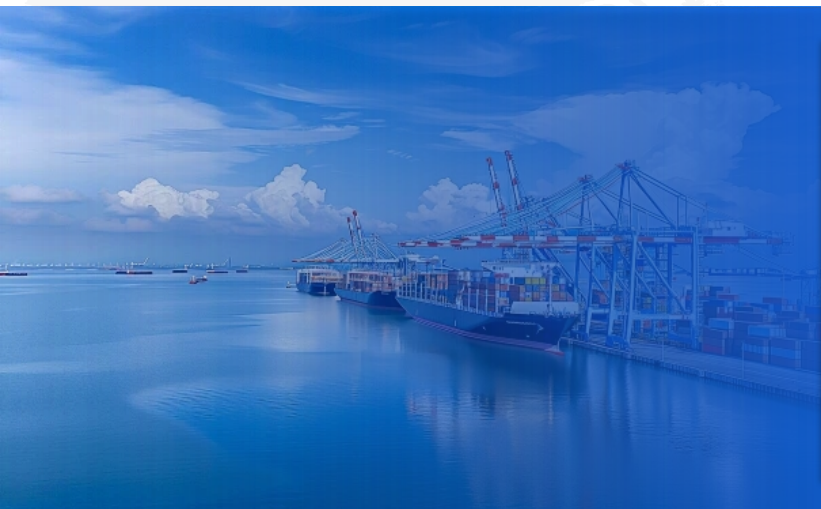

Embed the TaxExpress-In Zhejiang brand into the platform, enabling one-window acceptance for outbound investment filing and fully online issuance of Chinese Tax Resident Certificates.

All our flagship knowledge products are also hosted on the platform to deliver full tax guidance for outbound firms.

Construct a "Globalized" Service Network

Building on Zhejiang's **"1+14+N"** service system, we:

- Host overseas special events under "TaxExpress · In Zhejiang"
- Launch overseas tax service stations under "TaxExpress · In Zhejiang"

Our mission is to support Zhejiang's outbound enterprises by:

- Mitigating tax risks and resolving cross-border disputes.
- Providing high-quality, tailored, and professional tax advisory services

Ultimately, we aim to underpin Chinese enterprises' deeper international cooperation with wider reach and broader scope.

Support new overseas business forms

For the three new cultural export sectors (online dramas, online literature, online games), co-host compliance workshops with cultural authorities

Hold dedicated briefings
on global minimum tax rules
