02

**ICAN as a Strategic
Policy Institution**

2.1

ICAN'S Strategic Role

Each year, ICAN provides comprehensive and structured tax reform recommendations to the Ministry of Finance not as theoretical inputs, but as practical, experience-based insights drawn from the real economy.

BUILDING A GROWTH-FRIENDLY TAX ENVIRONMENT

03

**Consultative Model:
ICAN's Core Strength**

3.1

Consultative and Inclusive Model

We act as a bridge between policy intent and real-world implementation

BUILDING A GROWTH-FRIENDLY TAX ENVIRONMENT

04

**Strengthening Fiscal
System- Beyond Policy**

4.1

Strengthening Fiscal System – Beyond Policy

ICAN Works with:

•Ministry of Finance

•Inland Revenue Department

Public Institutions

ICAN Works with Intent to:

•Enhance Tax Compliance

•Promote Transparency & Accountability

•Improve Administrative Efficiency

•Build Voluntary Compliance Culture

A strong fiscal system is not built on legislation alone : it is built on trust, credibility, and institutions

05

Nepal's Economic Context

5.1

Nepal's Economic Overview

25 Yrs

Median Age
Strong demographic dividend

6%+

GDP Growth Target
Recovering & accelerating

#1

Untapped Hydropower Potential
Renewable energy potential

Expanding Sectors

Tourism

Hydropower

Infrastructure

Digital Services

training outcomes
directly to
implementation

**Fiscal Strategy
Development:** Broaden
tax base & improve
compliance frameworks

Knowledge & Research:
Fiscal policy, growth
models & emerging tax
challenges

Sustainable prosperity is not built in isolation – it is built through partnership, cooperation, and shared vision.

BUILDING A GROWTH-FRIENDLY TAX ENVIRONMENT

6.2

Collaboration with BRITAs and BRITACEG

Nepal stands ready.

ICAN stands committed.

Let's move forward collectively, with shared purpose and partnership.

“Alone we can grow fast but together, we grow sustainably.”
